# Drawings

## Google Drawings

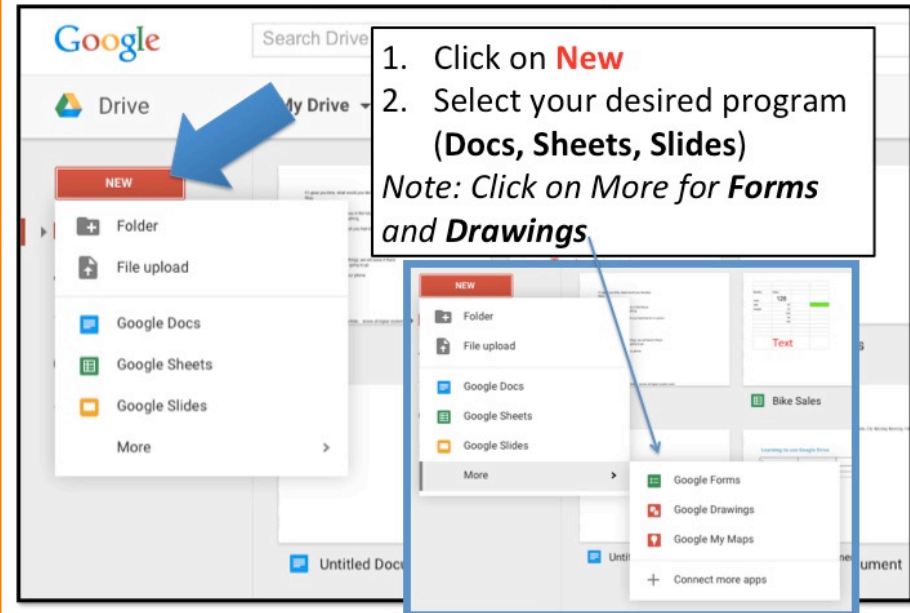

- With Google drawings you can easily create, share, and edit drawings online.
- Edit drawings online in real time with anyone you choose
- Insert text, shapes, arrows, scribbles, and images from your hard drive or from the Web.
- Lay out drawings precisely with alignment guides, snap to grid, and auto distribution.
- Insert drawings into other Google documents, spreadsheets, or presentations.

### Getting Started

From the Google homepage, select Drive

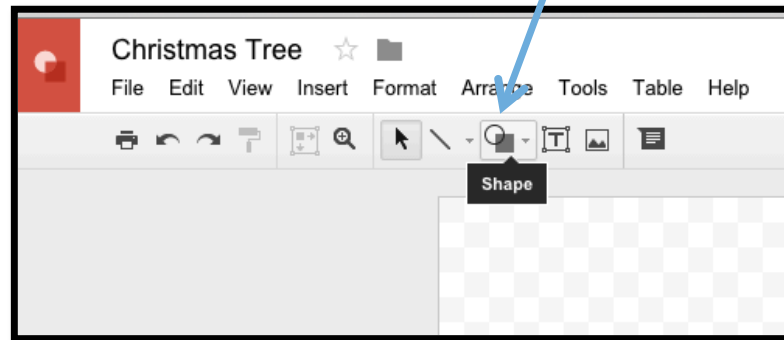

### Getting Started

1. Click on **New**
  2. Select your desired program (**Docs, Sheets, Slides**)
- Note: Click on More for **Forms** and **Drawings***

# Thanksgiving Pictures in Google Drive Drawings

- These instructions are used to show you how to make Thanksgiving pictures using **Shapes** in **Google Drive Drawings**
- Access shapes here...

- You can make a Turkey, Pilgrim Hat, Pumpkin or another Thanksgiving object

Oval Shape

The image shows the 'Insert' menu in Microsoft Word. The 'Shape' option is selected, which has opened a sub-menu. This sub-menu is further expanded to show a grid of various shapes. The 'Oval' shape is highlighted with a blue arrow. The grid includes various geometric shapes like squares, rectangles, circles, and ovals, as well as decorative symbols like hearts and stars.
