Halloween Math Mosaics

A grid-copying activity. The left grid shows a 5x5 grid with various Halloween characters (ghosts, pumpkins, witches) placed in specific cells. The right grid is empty. Below the grids is a row of character icons to be used for copying.

Create on the right a copy from the left grid...

Halloween - Copy the Grid

A memory game consisting of a 4x4 grid of 16 cards. Each card features a different Halloween-themed illustration, such as ghosts, pumpkins, and witches.

Find the matching cards

Halloween Memory Game

A block puzzle where pieces with different Halloween-themed images (ghosts, pumpkins, witches) must be moved into a grid to form a complete picture.
